

Curriculum Vitae (Business)

Mrs. Dagmar Schmidt

(03/2017)

Education: Graduate Mathematician (Master of Mathematics)

Year of birth: 1951

IT practice since: 1975

Languages: German, English

Main experience: EDI (Electronic Data Interchange), SAP (SD, MM, FI)
Program Developing; Databases

Programming languages: C
Visual-Basic
FORTRAN
PL-1
SQL
BASIC
PASCAL

Operating systems: WINDOWS
UNIX
OS/2
MS-DOS

Databases : MS-ACCESS 2.0, MS-ACCESS 97, MS-ACCESS 2000

Software/ Systems /Tools : Microsoft Office Tools:
WORD, EXCEL, PowerPoint, ACCESS, Project

SAP R/3:
EDI-Components; IDOC-Interfaces

EDI-Systems:
Sterling-Software:
DIRECTOR - Win95
GENTRAN – WinNT
GENTRAN – Server UNIX
STERLING INTEGRATOR SUITE (GIS)

Impact Immedia:
EDIKIT

Actis:
EDI-Manager / EDIFORM

Axway:
AMTrix Collaborative Suite
AMTrix Datamapper
XIB / Synchrony EDI Integration Suite

EDI-Standards:
EDIFACT, VDA, ODETTE, ANSI X.12, TRADACOMS

Projects/Activities:

- 03/2006 - 10/2016** **Electronic Data Interchange (EDI)**
Project-Support in the EDI-Department at a world wide logistics and transport company
- EDI-Environment: AMTriX Collaboration Suite, AMTriX-Datamapper
AXWAY: XIB / Synchrony EDI Integration Suite
- In-house- Environment: Own In-house-Software-System; EDI: UNIX
- Activities: Customer and Supplier connections.
Developing of Mappings.
- EDI-Standards: EDIFACT
- EDI- Messages: IFTMIN (and IFTMIN-Subsets)
-
- 03/2006 - 03/2006** **Electronic Data Interchange (EDI)**
Mappings for several Companies (Electronic- /Steel-Industry)
as Service-Partner für Sterling Commerce with GENTRAN Server for UNIX
resp. GENTRAN INTEGRATION SUITE (GIS)
-
- 09/2005 – 02/2006** **Electronic Data Interchange (EDI)**
Maintenance and changing of various format conversions (Mappings) for several
customers using ACTIS Edi-Manager for a worldwide Automotive Supplier (Area
Stuttgart).
Daily maintenance on automotive EDI processes in SAP (SD 4.6).
-
- 06/2005 - 08/2005** **Electronic Data Interchange (EDI)**
Ongoing/Additional Project-Support in the EDI-Department of a world wide logis-
tics and transport company (see project below 06/2003 – 12/2004)
